Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Bob Woodward and Carl Bernstein in his book "The Secret Man: The Story of Watergate's Deep Throat". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Bob Woodward's and Carl Bernstein's book. Woodward and Bernstein write in the form of a personal narrative and reveal the identity of the confidential source behind their report on the Watergate scandal.
