Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Derek Bok in his book "The Politics of Happiness: What Government Can Learn from the New Research on Well-Being". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Derek Bok's book. Bok examines how the research on happiness can influence the American governmental policy and improve the standard of living of the U.S.
