Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Amy Sullivan in her book "The Party Faithful: How and Why Democrats Are Closing the God Gap". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Amy Sullivan's book. Sullivan examines the change in faith and politics in America, he shows that despite the fact that religious belief remain very important for most Americans there is an increasing depart between politics and religion.
