Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Ron Suskind in his book "The One Percent Doctrine: Deep Inside America's Pursuit of Its enemies Since 9/11". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Ron Suskind's book. Suskind offers an insight into the war between the U.S. and a growing, shadowy army of terrorists. He also examines Bush administrations regarding the war on terror.
