Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Dr. David Gratzer in his book "The Cure: How Capitalism Can Save American Health Care". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Dr. David Gratzer's book. Gratzer takes an inside look at the heart of the problem of American health care system. He also explains why Canadian or European models won't work in the US and finally offers a solution to the problem.
