Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Wayne Allyn Root in his book "The Conscience of a Libertarian: Empowering the Citizen Revolution with God, Guns, Gambling and Tax Cuts". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Wayne Allyn Root's book. Root believes that there is a need for a new government system based on a dramatic tax reduction, a transfer of powers from the federal government to the states and the elimination of most government spending.
