Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Andrew Cockbun in his book "Rumsfeld: His Rise, Fall, and Catastrophic Legacy". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Andrew Cockbun's book. Cockbun offers an assessment of the life of Rumsfeld, the man that pushed the US into the wars in Afghanistan and Iraq.
