#### Sommario/riassunto

Business Ethics: An Ethical Decision-Making Approach presents a practical decision-making framework to aid in the identification, understanding, and resolution of complex ethical dilemmas in the workplace.-Focuses exclusively on three basic aspects of ethical decision making and behavior-how it actually takes place, how it should take place, and how it can be improved -Uses real-life examples of moral temptations and personal ethical dilemmas faced by employees and managers -Discusses the biases, psychological tendencies, moral rationalizations, and impact of self-interest as impediments to proper ethical decision making -Includes relevant examples of ethical misconduct and scandals appearing in the news media.
