Sommario/riassunto

The latest book in the Core Concepts in Higher Education series brings to life issues of governance, organization, teaching and learning, student life, faculty, finances, college sports, public policy, fundraising, and innovations in higher education today. Written by renowned author John R. Thelin, each chapter bridges research, theory, and practice and discusses a range of institutions - including the often overlooked for-profits, community colleges, and minority serving institutions. A blend of stories and analysis, this exciting new book challenges present and future higher education practitioners to be informed and active participants, capable of improving their institutions.
