Sommario/riassunto	<p>Treat Me: From the outside, Sole Regret's lead vocalist Jacob "Shade" Silverton seems to have it all-fame and fortune, self-confidence and sex appeal. He also has a sweet, young daughter who rules his heart. On the inside, he knows something's missing from his perfect life and longs for the right woman to make his broken family whole. His new lover Amanda might be the one. As he spends a long weekend with her and discovers how she loves his daughter, warms his heart, rocks his bed, and genuinely cares about the real him-not just the rock star that holds the spotlight-he becomes convinced she is the one. Unfortunately, Amanda comes with some baggage. Her younger sister is Jacob's ex-wife, and Tina has never been the type to offer her blessing.</p> <p>Thrill Me: Sole Regret's sex-obsessed bassist Owen Mitchell has always rocked with the ladies and rolled with the punches. He knows Caitlyn's just looking for a fling with someone more fun and adventurous than her ex-husband, but Owen is drawn to the geeky temptress like a rocker's drawn to a heavy riff. He'll keep thrilling her in the bedroom to keep her coming back for more. He has faith that someday she'll admit that they're meant to be together.</p>
