Sommario/riassunto	<p>Taryn Malone is stranded, broke, and desperate for help. But even if the sexy bartender she's been eyeing offers her a job for the evening . . . even if he seduces her with his impossibly intense blue eyes . . . even if every fiber of her heart tells her to stay with him, she can't. Because Taryn Malone doesn't exist. Jake Callaghan has been running the family's Irish pub for years now. When he sees Taryn standing out alone in the rain, he does what he's been trained to do as a SEAL-he rescues her. It has nothing to do with her full, firm curves, or her loose, golden-blond hair, or the way she brushes against him that sends lightning bolts through his body. It's just the right thing to do. Really. But both Taryn and Jake are hiding secrets from each other. Dangerous secrets. And neither one of them knows just how dangerous it can be to fall in love . . . Contains mature themes.</p>
