Sommario/riassunto	<p>Long ago, the Old Ones were bad. They drank all the water, ate all the pine nuts, and left nothing for the other creatures. Sinaway the coyote punished them by turning them into rocky hoodoos. Now when children misbehave, their Paiute elders remind them that they too could be turned into stone columns! Vivian has heard the stories, but this year as she and her grandmother climb the mesa to pick pine nuts, Vivian has something more important on her mind: basketball tryouts. When Vivian is disrespectful to the trees and the land, her grandmother must remind Vivian of the legend of the hoodoos and how nature has made it possible for her people to live. This fictional story includes a 4-page For Creative Minds section in the back of the book and a 24-page cross-curricular Teaching Activity Guide online. Vivian and the Legend of the Hoodoos is vetted by experts and designed to encourage parental engagement. Its extensive back matter helps teachers with time-saving lesson ideas, provides extensions for science, math, and social studies units, and uses inquiry-based learning to help build critical thinking skills in young readers. The Spanish translation supports ELL and dual-language programs. The interactive ebook reads aloud in both English and Spanish with word highlighting and audio speed control to promote oral language skills, fluency, pronunciation, text engagement, and reading comprehension. Tap animals and other things that make noise to hear their sounds.</p>
