Sommario/riassunto

This book, 'From Boulogne to Austerlitz: Napoleon's Campaign of 1805' by R.G. Burton, provides an in-depth analysis of Napoleon Bonaparte's military strategies during the pivotal campaign of 1805. It explores the geopolitical context of Europe at the time, detailing the breakdown of the Peace of Amiens and the subsequent renewal of hostilities between France and England. The book discusses Napoleon's ambitious plans for invading England and his preparation of the Grand Army. It also covers the various military engagements and battles, including the famous Battle of Austerlitz. Burton examines the strategic and tactical elements that contributed to Napoleon's successes, offering insights into the dynamics of warfare during this period. The book is intended for readers interested in military history and the Napoleonic Wars.
