Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Jason Mattera in his book "Obama Zombies: How the Liberal Machine Brainwashed My Generation". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Jason Mattera's book. Mattera argues that shocking behind-the-scenes tactics were used to transform a country of young voters into winning coalition for the liberals. He offers a plan for conservatives to win this battle back.
