Green.

Sommario/riassunto

Cleopatra-a brave, astute, and charming woman who spoke many languages, entertained lavishly, hunted, went into battle, eliminated siblings to consolidate her power, and held off the threat of Imperial Rome to protect her country as long as she could-continues to fascinate centuries after she ruled Egypt. These wide-ranging essays explore such topics as Cleopatra's controversial trip to Rome, her suicide by snake bite, and the afterlife of her love potions. They view Cleopatra from the Egyptian perspective, and examine the reception in Rome of Egyptian culture, especially of its religion and architecture. They discuss films about her, and consider what inspired Egyptomania in early modern art. Together, these essays illuminate Cleopatra's legacy and illustrate how it has been used and reused through the centuries.

Sommario/riassunto

In a novel that combines family drama and a criminal pursuit, William

Dean Howells takes a look at a father who commits a nefarious deed and then makes a quick getaway, leaving his innocent daughter behind to pick up the pieces and try to move on in the aftermath of the painful betrayal.
