Nota di contenuto	1. Introduction : basic positions and the life of an idea -- 2. Ethnicity unearthed -- 3. Ethnicity and race in the United States -- 4. Ethnicity and race in Britain -- 5. Ethnicity and nationalism -- 6. Ethnicity unbound -- 7. Conclusions.
Sommario/riassunto	Ethnicity has been a key concept in anthropology and sociology for many years, yet many people still seem uncertain as to its meaning, its relevance, and its relationship to other concepts such as race' and nationalism. In <i>Ethnicity: Anthropological Constructions</i> the major anthropological and sociological approaches to ethnicity, covering much of the significant literature and leading authors, are outlined clearly and concisely.
