| Sommario/riassunto      | Heroines of Sport looks closely at different groups of women whose stories have been excluded from previous accounts of women's sports and female heroism. It focuses on five specific groups of women from different places in the world South African women; Muslim women from the Middle East; Aboriginal women from Australia and Canada; and lesbian and disabled women from different countries worldwide. It also asks searching questions about colonialism and neo-colonialism in the   |

women's international sport movement. The particular groups of women featured in the book reflect the need to
