Sommario/riassunto	Based on personal interviews with Palestinian families, Oroub El-Abed examines the effects of displacement and the livelihood strategies that Palestinians have employed while living in Egypt. The author also analyzes the impact of fluctuating Egyptian government policies on the Palestinian way of life. With limited basic human rights and in the context of very poor living conditions for Egyptians in general, Palestinians in Egypt have had to employ an array of both tangible and

intangible assets to survive. By providing an account of how they
marshalled these assets, this book aims to contribu
