Nota di contenuto	pt. 1. Context and scope -- pt. 2. Theory and understanding -- pt. 3. Policy and prevention -- pt. 4. Conclusions and challenges.
Sommario/riassunto	Sexual exploitation in sport is a problem that has beset both male and female athletes privately for decades but which has only recently emerged as a public issue. Spoilsports is the first comprehensive review of this issue, integrating pioneering academic research, theoretical perspectives, and practical guidelines for performers, coaches, administrators and policy-makers. Key topics include: * 'moral panic' * children's rights * masculinity and power * making and implementing policy * leadership in sport. Spoilsports draws extensively on the personal experiences of athletes and those involved in sport. Challenging and controversial, this book represents an important step towards tackling a difficult issue. It is essential reading for coaches, athletes, parents, policy-makers and all those with a personal or professional interest in sport.
