1. **Record Nr.**   UNINA9910172611303321

   Titolo   2016 Visual Communications and Image Processing (VCIP) / / Institute of Electrical and Electronics Engineers (IEEE)

   Pubbl/distr/stampa Piscataway, New Jersey : , : Institute of Electrical and Electronics Engineers (IEEE), , 2016

   ISBN   1-5090-5316-6

   Descrizione fisica 1 online resource : illustrations

   Disciplina   006.54

   Soggetti   Coding theory
                           Image processing
                           Visual communication - Digital techniques

   Lingua di pubblicazione Inglese

   Formato   Materiale a stampa

   Livello bibliografico Monografia

   Sommario/riassunto The International Conference on Visual Communications and Image Processing (VCIP), sponsored by the IEEE Circuits and Systems Society and supported by the Institute of Image Processing, School of Electronic Engineering, University of Electronic Science and Technology of China, will be held in Chengdu during 27 30 Nov 2016 VCIP has served as a premier forum in SPIE and IEEE for the exchange of fundamental research results and technological advances in the field of visual communications and image processing since 1986 It provides a venue for leading engineers and scientists from around the world to advance the research frontiers in various areas of interest to VCIP.
