Working Group on

Indigenous Populations; Appendix F Indigenous Peoples' and Nongovernmental Organizations Participating in U.N. Working Group Meetings; Appendix G The Earth Charter Preamble; References; Index; About the Author

Sommario/riassunto

The author examines how indigenous activists are cultivating international support for a programme of self-determination and legal protection, as well as how the indigenous voice in world politics is transforming civic discourse within the international community. With the United Nations designating 1993 as the 'Year of Indigenous Peoples', this book could not be more timely.
