

1. Record Nr.	UNINA9910172655503321
Titolo	2016 10th IEEE International Conference on Anti-counterfeiting, Security, and Identification (ASID) // Institute of Electrical and Electronics Engineers (IEEE)
Pubbl/distr/stampa	Piscataway, New Jersey : , : Institute of Electrical and Electronics Engineers (IEEE), , 2016
ISBN	1-5090-1029-7
Descrizione fisica	1 online resource (various pagings) : illustrations
Disciplina	005.8
Soggetti	Computer security Counterfeits and counterfeiting Counterfeits and counterfeiting - Prevention
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Wearable Electronics and Health & Leisure Micro Nano sensor and BioMEMS IC Design and System Integration Multi core Processor and Reconfigurable Computing Cloud Computing & Internet of Things (IoT) Cryptographic Algorithm and Security Management Next Generation Networking and IPv6 Wireless Communication and Networking Engineering Cognitive Radio and Software Defined Radio EMC Theory and RFID Techniques Pattern Recognition and Applications.
