

1. Record Nr.	UNINA9910210146603321
Titolo	2017 IEEE Wireless Power Transfer Conference (WPTC) // Institute of Electrical and Electronics Engineers (IEEE)
Pubbl/distr/stampa	Piscataway, New Jersey : , : Institute of Electrical and Electronics Engineers (IEEE), , 2017
ISBN	1-5090-4585-6
Descrizione fisica	1 online resource : illustrations some color
Disciplina	621
Soggetti	Wireless power transmission Wireless communication systems - Power supply
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	The conference focuses on wireless energy power transmission, energy harvesting conversion and related technologies The meeting is intended to cover a broad range of areas related to devices, integrated circuits, systems and applications of WPT across the electromagnetic spectrum.
