Description and travel Lingua di pubblicazione Inglese **Formato** Materiale a stampa Livello bibliografico Monografia Note generali Description based upon print version of record. Nota di bibliografia Includes bibliographical references and index. Water and the Colorado desert -- Where should the dams be? politics, Nota di contenuto the Colorado River Compact, and the Geological Survey's role --Prelude to an expedition: Washington and Flagstaff -- A cumbersome journey: Flagstaff to Lee's Ferry to the Little Colorado River -- Surveys and portages: Furnace Flats through the Inner Gorge -- Of flips and

floods: Bass Canyon to Diamond Creek -- Feeling their oats: Diamond

Creek to Needles -- Aftermath: politics and the strident hydraulic

engineer.

Sommario/riassunto

In 1923, America paid close attention, via special radio broadcasts, newspaper headlines, and cover stories in popular magazines, as a government party descended the Colorado to survey Grand Canyon. Fifty years after John Wesley Powell's journey, the canyon still had an aura of mystery and extreme danger. At one point, the party was thought lost in a flood. Something important besides adventure was going on. Led by Claude Birdseye and including colorful characters such as early river-runner Emery Kolb, popular writer Lewis Freeman, and hydraulic engineer Eugene La Rue, the exped
