Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. 227-236) and index.
Nota di contenuto	No money, no healthcare -- Why the money's running out -- A new scarlet letter -- Why nationalized healthcare is no cure all -- Fair care -- Give seniors what they want (and save money doing it) -- Give control to consumers through HSAs -- Establish fair medical prices -- Make medical prices transparent -- Build risk pools -- Build a national marketplace -- Make basic healthcare cheaper and more convenient -- Do it right the first time -- Wrapping it all up.
Sommario/riassunto	America's Health Care Crisis Solved highlights the major pitfalls of our current health care system and shows why, without changes, health care costs will soon demolish the American economy as well as the opportunity to receive quality care. However, contrary to the increasingly popular idea of a government health plan, the alternative presented by authors J. Patrick Rooney and Dan Perrin brings the self-interest of you, the American consumer, into the equation.

2. Record Nr.	UNINA9910213826703321

Sommario/riassunto

The central issue Bush finds in these works is how their authors have dealt with the authority of Mormon Church leaders. As she puts it in her preface, "I use the phrase 'faithful transgression' to describe moments in the texts when each writer, explicitly or implicitly, commits herself in writing to trust her own ideas and authority over official religious authority while also conceiving of and depicting herself to be a 'faithful' member of the Church." Bush recognizes her book as her own act of faithful transgression. Writing it involved wrestling, she states, "with my own deeply
