Sommario/riassunto	<P style=""MARGIN: 0in 0in 0pt"" class=MsoNormal>This is the story of a shantytown community in South Africa and its efforts to secure a decent life, moving from tin shacks to formal housing, in postapartheid South Africa. The author's 17-year longitudinal study of this

community has resulted in an extraordinary work that brings its people
alive, through photographs, interviews, and even recipes.
