/ Nicholas Halter -- My Fijian Wantok / Sam Alasia -- He is the Very Model of a Pacific Historian / Robert Cribb -- Bibliography of Brij V. Lals Academic Writings / Compiled by Doug Munro.

Sommario/riassunto

"It is a pleasure to commend this collection of very different essays that celebrate, reflect upon and extend the life and work of a remarkable scholar. Although I have had, at times, a close association with Brij Lals life and work, I have learned much from reading this book. It provokes further thought about the course of democracy in Fiji, and the very sorry state and future of Pacific history and the humanities in academia. Here is a timely assertion of the significance and major contribution that courageous scholars such as Brij have made to the study and public awareness of these areas of concern"--Jacqueline Leckie, University of Otago.
