Descrizione fisica	1 online resource (xvii, 254 pages) : illustrations (some colour), maps; digital, PDF file(s)
Disciplina	306.4/819089956051
Soggetti	Tourism - Political aspects - Japan - 20th century Tourism - Japan - History - 20th century Taiwan Description and travel Manchuria (China) Description and travel Korea Description and travel Japan Colonies Description and travel
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Seeing like the nation -- The new territories -- Boundary narratives -- Local color -- Speaking Japanese.
Sommario/riassunto	"Placing Empire examines the spatial politics of Japanese imperialism through a study of Japanese travel and tourism to Korea, Manchuria, and Taiwan between the late nineteenth century and the early 1950s. In a departure from standard histories of Japan, this book shows how debates over the place of colonized lands reshaped the social and spatial imaginary of the modern Japanese nation and how, in turn, this sociospatial imaginary affected the ways in which colonial difference was conceptualized and enacted. In so doing, it illuminates how ideas of place became central to the production of new forms of colonial hierarchy as empires around the globe transitioned from an era of territorial acquisition to one of territorial maintenance"--Provided by publisher.
