Sommario/riassunto

A number of important steps have been taken in recent years to improve the planning and management of Army International Activities (AIA). Still, a need remains, and is widely recognized, for a high-level assessment mechanism to allocate AIA resources more efficiently, execute AIA programs more effectively, and highlight the contributions of AIA to the National Military Strategy, the DoD Security Cooperation Guidance, and The Army Plan. This report presents a framework for assessing the value of the Army's non-combat interactions with other militaries. It provides an overview of AIA programs a
