

1. Record Nr.	UNINA9910557256103321
Autore	Lucidi Fabio
Titolo	Factors Underpinning and Influencing Drivers' Aberrant Behaviours Across the Life Course
Pubbl/distr/stampa	Frontiers Media SA, 2020
Descrizione fisica	1 online resource (152 p.)
Soggetti	Psychology Science: general issues
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	This eBook is a collection of articles from a Frontiers Research Topic. Frontiers Research Topics are very popular trademarks of the Frontiers Journals Series: they are collections of at least ten articles, all centered on a particular subject. With their unique mix of varied contributions from Original Research to Review Articles, Frontiers Research Topics unify the most influential researchers, the latest key findings and historical advances in a hot research area! Find out more on how to host your own Frontiers Research Topic or contribute to one as an author by contacting the Frontiers Editorial Office: frontiersin.org/about/contact

Sommario/riassunto

To assess whether an initiative to reduce gun violence that had been successful in Boston could be adapted for use elsewhere, researchers selected an East Los Angeles area for a similar intervention that was to include both law enforcement and social service components. Although the latter component was not widely available when the intervention began, researchers found that the intervention helped reduce violent and gang crime in the targeted districts and that crime also decreased in surrounding communities.
