Sommario/riassunto

Teacher education has been subject to both scathing criticism and innumerable efforts designed to reform it or to save it from being dismantled. One of the latest and most well funded efforts aimed at teacher education reform is boldly titled Teachers for a New Era (TNE). Eleven colleges and universities of various types nationwide were selected to participate in TNE. The TNE initiative emphasizes evidence-based decisionmaking, close collaboration between education and arts and sciences faculty, and teaching as an academically taught clinical-practice profession. The RAND Corporation and the M
