Border Security in Iraq and Afghanistan; An End to Streets Without Joy: Security, Development, and Pacification; Conclusion: Back to the Future? APPENDIX- RAND Counterinsurgency Publications, 1955-1995: Selected Annotated Bibliography References
Sommario/riassunto	The term "other war" arose in Vietnam to differentiate pacification operations from the "real war" of conventional search-and-destroy operations. On "Other War" provides an invaluable aid to understanding

and developing successful responses to modern counterinsurgency challenges through the lens of experience.
