

1. Record Nr.	UNINA9910220138403321
Autore	Jackson Brian A. <1972->
Titolo	Fostering innovation in the U.S. court system : identifying high-priority technology and other needs for improving court operations and outcomes
Pubbl/distr/stampa	RAND Corporation, 2016 [Place of publication not identified], : Rand, 2016
ISBN	0-8330-9581-1
Descrizione fisica	1 online resource
Soggetti	Courts - Technological innovations - United States Justice, Administration of - United States Law - U.S. - General Law - U.S Law, Politics & Government United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di contenuto	Preface -- Figures and Tables -- Summary -- Acknowledgments -- Abbreviations -- ; Chapter 1. Introduction: Considering Innovation in U. S. Courts -- About This Report -- ; Chapter 2: The State of the U.S. Court System Today: Key Trends and Challenges for the U.S. Court System: Court Caseloads and Resource Scarcity -- Court Security and Preparedness -- Proliferation of Problem-Solving Courts -- Racial and Economic Disparities in Case Processing and Outcomes -- Increasing Prominence of Pro Se Litigants -- Courts and Changing Technology -- Moving Forward -- ; Chapter 3. Court Technology and Practice Today -- A Taxonomy of Court Technology and Practice -- The State of the Art Today -- Sketching the Foundation for Court Innovation: Information and Communications -- Doctrine, Tactics, Management, and Behavioral Knowledge Development and Training -- Facility Operations and Population Services -- Person-Worn Equipment and Weapons/Force -- Conclusion -- ; Chapter 4. From Courts Today to Courts Tomorrow: Identifying and Prioritizing Innovation Needs in

Technology, Policy, and Practice -- The Courts Advisory Panel Process :
Identifying Innovation Needs -- Prioritizing Innovation Needs --
Toward an Innovation Agenda for the U.S. Court System: Considering
the Identified Needs as a Whole -- Identifying Priority Needs to Focus
the Innovation Agenda -- ; Chapter 5. Conclusions: An Innovation
Agenda Focused on Information and Communications Tools and
Practices -- An Agenda Driven More by Adopting Existing Tools and
Practices Than Developing New Ones -- Fostering Innovation in the U.S.
Court System -- APPENDIXES -- References.

Sommario/riassunto

Given the challenges posed to the U.S. courts sector, such as high caseloads and resource constraints, it is valuable to identify opportunities where changes in technology, policy, or practice could improve performance. In this report, RAND researchers, with the help of a practitioner Courts Advisory Panel, seek to map out an innovation agenda for the sector.
