1.
Record Nr.	UNINA9910220145903321
Autore	Ramchand Rajeev
Titolo	Developing a research strategy for suicide prevention in the Department of Defense : status of current research, prioritizing areas of need, and recommendations for moving forward / / Rajeev Ramchand [and six others]
Pubbl/distr/stampa	Santa Monica, California : , : RAND Corporation, , 2014 ©2014
ISBN	0-8330-8772-X 0-8330-8774-6
Descrizione fisica	1 online resource (359 p.)
Disciplina	355.6/1
Soggetti	Psychology, Military Suicide - Prevention - Research Suicide - Prevention - Government policy - United States United States Armed Forces Mental health services
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Cover; Title Page; Copyright; Preface; Contents; Figures; Tables; Boxes; Summary; Acknowledgments; Abbreviations; CHAPTER ONE: Introduction; Background; Study Purpose; Approach; Organization of This Report; CHAPTER TWO: Current Suicide Prevention Research in the United States That Is Directly Relevant to Military Personnel; Methods; Inclusion and Exclusion Criteria; Identifying Studies for Abstraction; Data Abstraction; Results; Studies Identified, Funders, and Funding; Funding, by NAASP Category; Funding, by MOMRP Category; Conclusion CHAPTER THREE: Prioritizing Research Needs in the U.S. Department of Defense Background; Methods; Creating Aspirational Goals; Selection of Stakeholder Participants; Implementation of the DoD Stakeholder Elicitation Process; Implementing the RAND Expert Lens Process; Analysis; Results; Participant Response; Ranking Across the Five Domains; Additional Elicitation from RAND Experts; Conclusion; CHAPTER FOUR: Preliminary Gap Analysis; Methods; Results; Perceived Importance; Effectiveness; Cultural Acceptability; Cost; Learning

Potential; Conclusion

| Sommario/riassunto | To support U.S. Department of Defense (DoD) efforts to create a unified, comprehensive strategic plan for suicide prevention research, a RAND study cataloged studies funded by DoD and other entities, examined whether current research maps to DoD's strategic research needs, and provided recommendations to encourage better alignment and narrow the research-practice gap when it comes to disseminating findings to programs serving military personnel. |
