ISBN	9780520968714 0520968719
Edizione	[1st ed.]
Descrizione fisica	1 online resource (300 pages) : illustrations, charts, map; PDF, digital file(s)
Disciplina	327.51051909/03
Soggetti	Ginseng Borderlands - China - History Borderlands - Korea - History Electronic books. Korea Foreign relations 1392-1910 China Foreign relations Korea History Korea Foreign relations China History
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references (pages 189-203) and index.
Nota di contenuto	From frontier to borderland -- Making the borderland -- Managing the borderland -- Movement of people and money -- From borderland to border.
Sommario/riassunto	"Ginseng and Borderland explores the territorial boundaries and political relations between Qing China and Choson Korea during the period from the early seventeenth to the late nineteenth centuries. By examining a unique body of materials written in Chinese, Manchu, and Korean, and building on recent studies in New Qing History, Seonmin Kim adds new perspectives to current understandings of the remarkable transformation of the Manchu Qing dynasty (1636-1912) from a tribal state to a universal empire. This book discusses early Manchu history and explores the Qing Empire's policy of controlling Manchuria and Choson Korea. Kim also contributes to the Korean history of the Choson dynasty (1392-1910) by challenging

conventional accounts that embrace a China-centered interpretation of the tributary relationship between the two polities, stressing instead the agency of Choson Korea in the formation of the Qing Empire. This study demonstrates how Koreans interpreted and employed this relationship in order to preserve the boundary--and peace--with the suzerain power. By focusing on the historical significance of the China-Korea boundary, this book defines the nature of the Qing Empire through the dynamics of contacts and conflicts under both the cultural and material frameworks of its tributary relationship with Choson Korea"--Provided by publisher.
