Sommario/riassunto	While the dimensions, levels, and intensity of conflict can vary greatly, so too can the opportunities for conflict resolution. Cultivating Peace presents original case studies from Africa, Asia, and Latin America, interspersed with essays on the cultural dimensions of conflict, the meaning of stakeholder analysis, the impact of development interventions on peace and conflict, and the policy dimensions of conflict management. The case studies present important developing-world experience on moving from conflict to collaborative modes of management. The accompanying essays draw on the case stud
