Payne -- Victims of environmental harm during conflict : the potential for justice / Merryl Lawry-White -- Post conflict mine action : environment and law / Ursign Hofman and Pascal Rapillard -- "After the war is before the war" -- the environment, preventative measures under international humanitarian law and their post-conflict impact / Anne Dienelt -- Reframing the remnants of war: the role of the International Law Commission, governments and civil society / Doug Weir.

Sommario/riassunto

This work examines the protection of the environment in post-conflict societies, with regard both to the maintenance of natural ecosystems and to the function of environmental protection in the peace-building process, addressing the strengths and weaknesses of different bodies of law.
