Sommario/riassunto	Written specifically for researchers of all disciplines whose first language is not English, this guide presents easy-to-follow rules and tips, along with authentic examples taken from real emails, referees' reports and cover letters, will show you how to: write effective emails (subject lines, structure, requests, level of formality) review other people's manuscripts reply effectively and constructively to referees' reports correspond with editors write letters regarding summer

schools, internships, and PhD and postdoc programs write reference letters This new edition contains over 40% new material, including stimulating factoids and discussion points both for self-study and in-class use, as well as suggestions for drafting proposals for research projects and writing research statements. EAP teachers will find this book to be a great source of tips for training students, and for providing both instructive and entertaining lessons. Other books in the series cover: writing research papers; presentations at international conferences; English grammar, usage and style; and interacting on campus; plus exercise books and a teacher's guide to the whole series. Please visit <http://www.springer.com/series/13913> for a full list of titles in the series. Adrian Wallwork is the author of more than 30 ELT and EAP textbooks. He has trained several thousand PhD students and academics from 35 countries to write research papers, prepare presentations, and communicate with editors, referees and fellow researchers.
