

1. Record Nr.	UNINA9910253999103321
Autore	Pharino C (Chanathip)
Titolo	Challenges for Sustainable Solid Waste Management : Lessons from Thailand / / by Chanathip Pharino
Pubbl/distr/stampa	Singapore : , : Springer Singapore : , : Imprint : Springer, , 2017
ISBN	981-10-4631-X
Edizione	[1st ed. 2017.]
Descrizione fisica	1 online resource (XI, 141 p. 58 illus. in color.)
Collana	SpringerBriefs on Case Studies of Sustainable Development, , 2196-7830
Disciplina	363.728 628.4
Soggetti	Waste management Sustainable development Environmental management Environmental engineering Biotechnology Pollution Waste Management/Waste Technology Sustainable Development Environmental Management Environmental Engineering/Biotechnology Pollution, general
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references at the end of each chapters.
Nota di contenuto	1 Integrated Waste Management System Overview -- 2 Waste Characteristics And Practices -- 3 Municipal Wastes Management In Thailand -- 4 Community Based Waste Management In Thailand -- 5 Household Hazardous Waste Management In Thailand -- 6 Infectious Waste Management In Thailand -- 7 Electronic Waste Management In Thailand -- 8 E-Waste Management In Thailand (Case Studies).
Sommario/riassunto	This book analyzes the status quo concerning waste generation and management systems in Thailand and other developing countries with similar problems. It addresses municipal, electronic, industrial and hazardous wastes, as well as management instruments, and key factors

shaping the progress of waste management as a whole. The book highlights lessons learnt from various successful efforts to overcome these problems in Thailand, and offers recommendations for promoting sustainable waste management systems in Thailand and other countries with similar backgrounds in the future. These include the introduction of a polluter-pay concept, incentive systems for recycling and reusing, and promoting environmental education and awareness in key sectors.
