Autore	Kozák Jan
Titolo	Early Geological Maps of Europe : Central Europe 1750 to 1840 // by Jan Kozák, Alena ejchanová, Zdenk Kukal, Karel Pošmourný
Pubbl/distr/stampa	Cham : , : Springer International Publishing : , : Imprint : Springer, , 2016
ISBN	3-319-22488-3
Edizione	[1st ed. 2016.]
Descrizione fisica	1 online resource (XIII, 155 p. 87 illus., 58 illus. in color.)
Disciplina	550
Soggetti	Earth Geology Historical geology Regional planning City planning Nature Ecology History Physical geography Popular Earth Science Historical Geology Landscape/Regional and Urban Planning Popular Science in Nature and Environment History, general Physical Geography
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes indexes.
Nota di contenuto	Foreword -- Introduction -- Table of treated and reproduced early geological maps of Central Europe -- Outline of the geological evolution of the Central Europe -- The Atlas -- Further advancement of geology in Central Europe -- Indexes -- References.
Sommario/riassunto	This book focuses on the presentation and evaluation of geological maps of the Central Europe from 1750 up to 1840. Milestones in presentation of stratigraphy and tectonics and new geological models

on such maps will be underlined. Map descriptions contain fundamentals editorial data as well as the map author's affiliation and biographies. It represents for the region of the Central Europe the first work of this type. Geological maps represent geological synthesis and indicate the level of geological knowledge throughout history. They serve as guidelines for an economic utilization of mineral deposits and further geological investigation.
