

1. Record Nr.	UNINA990003365660403321
Autore	Soars, Liz
Titolo	Headway : student's book (elementary) / Liz & John Soars
Pubbl/distr/stampa	Oxford : Oxford University Press, 1993
ISBN	0-19-433992-0
Descrizione fisica	128 p. 30 cm
Altri autori (Persone)	Soars, John
Disciplina	428.24
Locazione	DECBC
Collocazione	LNGLING11A LNGLING11B LNGLING11C
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia

2. Record Nr.	UNINA9910254526903321
Titolo	Achalasia : Diagnosis and Treatment // edited by P. Marco Fisichella, Fernando A. M. Herbella, Marco G. Patti
Pubbl/distr/stampa	Cham : , : Springer International Publishing : , : Imprint : Springer, , 2016
ISBN	3-319-13569-4
Edizione	[1st ed. 2016.]
Descrizione fisica	1 online resource (144 p.)
Disciplina	610
Soggetti	Gastroenterology Thoracic surgery Gastroenterology Thoracic Surgery
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references at the end of each chapters and index.
Nota di contenuto	1. A one hundred year journey: the history of surgery for esophageal achalasia -- 2. Pathophysiology of Achalasia -- 3. Clinical Presentation and diagnostic evaluation -- 4. Achalasia and Chagas Disease -- 5. Botulinum Toxin Injection -- 6. Pneumatic dilatation -- 7. Peroral Endoscopic Myotomy (POEM) -- 8. Heller Myotomy for Achalasia: From the Thoracoscopic to the Laparoscopic Approach -- 9. Laparoscopic Heller Myotomy and Fundoplication: What Type? -- 10. Laparoscopic Heller Myotomy and Dor Fundoplication -- 11. Laparoscopic Heller Myotomy with Toupet Partial Posterior Fundoplication -- 12. Achalasia and Epiphrenic Diverticulum -- 13. Thoracoscopic Treatment of Epiphrenic Diverticula Associated with Achalasia -- 14. The Surgical Management of Achalasia in the Morbid Obese Patient -- 15. Treatment of Achalasia in the Patient with Dilated Esophagus -- 16. Evaluation and Treatment of Patients with Recurrent Dysphagia after Heller Myotomy -- 17. Esophagectomy for End Stage Achalasia -- 18. Achalasia and Eating Disorders -- 19. Achalasia in the Pediatric Population.
Sommario/riassunto	This comprehensive book covers the diagnosis and treatment of esophageal achalasia. The successful management of patients with this

disease, whose treatment can be complex and usually performed in specialized tertiary-care centres, is described by internationally renowned authors. Detailed operations and current diagnostic and management strategies are discussed, giving the reader expert knowledge in specific aspects of Achalasia. Achalasia: Diagnosis and Treatment is ideal for residents, fellows and specialists in both general and thoracic surgical disciplines as well as in gastroenterology.
