

1. Record Nr.	UNINA9910254534303321
Titolo	Cancer Research and Clinical Trials in Developing Countries : A Practical Guide // edited by Daniela Cristina Stefan
Pubbl/distr/stampa	Cham : , : Springer International Publishing : , : Imprint : Springer, , 2016
ISBN	3-319-18443-1
Edizione	[1st ed. 2016.]
Descrizione fisica	1 online resource (225 p.)
Disciplina	610
Soggetti	Oncology Oncology
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	1.Introduction: the need to conduct cancer research in developing countries -- 2.Steps of a research study: from research question to publication -- 3.Types of research designs -- 4.Clinical research in developing countries: An overview -- 5.The research protocol -- 6. Ethics of conducting cancer research in developing countries -- 7.Data management and statistics -- 8.Funding For Cancer Research and Clinical Studies in Low and Middle-Income Countries -- 9.International Collaboration in Cancer Research -- 10.Publication and dissemination of research findings. .
Sommario/riassunto	This book describes the principles around which cancer research and clinical trials can be developed. Additionally, by describing the particularities of planning and implementing cancer research in developing countries, this book provides valuable practical information for researchers in resource-rich countries who contemplate cooperating with scientists from limited-resource countries in performing research.Written and edited by leaders in the field who work in these developing countries, Cancer Research and Clinical Trials in Developing Countries: A Practical Guide will appeal to a wide range of researchers, students, and physicians who are engaging in cancer research and clinical trials. It focuses on methodology and statistics while structured around the needs of cancer research. It provides valuable information regarding international collaboration, funding

mechanisms as well as publishing and dissemination of research findings.
