Sommario/riassunto	This concise guide covers the evolution and expanding scope of hospital medicine and the variety of clinical, ethical and administrative situations a Hospitalist encounters. 500 questions on inpatient care, co-management of patients and hospital system management are provided with the goal of assessing clinical and academic competency. Questions feature actual cases with evidence-based solutions. Useful to physicians, house staff and advanced nurse practitioners, this up-to-date referenced learning text encompasses all aspects of hospital care.
