Sommario/riassunto	This book is a comprehensive collection of questions in the "single best answer (SBA)" format for the MRCOG2 theory exam. This new format has been introduced in the exam paper from March 2015 and most candidates are still getting used to the change. This book will provide them ample opportunity to familiarize themselves with the concept and then practice answering the questions based on almost all subjects included in the MRCOG 2 theory syllabus. Preparing for the MRCOG2 exam is a daunting task for all Obstetrics and Gynecology doctors. The college constantly reforms the exam structure in an effort to optimize the evaluation process. The endeavor of the authors is to equip the

candidates with a vision of the holistic nature of the exam so that they master the art of answering SBA questions.
