Sommario/riassunto	Customize all your PrestaShop themes with easy-to-follow recipes designed to remedy common pitfalls. Separated clearly into subjects, you will easily be able to look up the problem you are having and find a solution. Free of jargon and long sections of theory, PrestaShop Recipes enables you to troubleshoot and learn all at the same time. This book will aid you in your PrestaShop development – the free, open source e-commerce content management solution written in PHP and with support for MySQL. Accessible to small start-ups or larger businesses, it is becoming a very popular eCommerce solution and this book will enable you to use it to its full potential.
