Alempijević & Kirsti Hjemdahl.- "Yugo-vintage?" preserving and creating memory through clothing – Mitja Velikonja.- Brotherhood and Unity goes Multiculturalism – Nena Monik -- Conclusion – Gorana Ognjenovi & Jasna Jozeli.
Sommario/riassunto	This volume provides a more detailed picture which might surprise those who thought they knew everything about Yugoslavia, as well as we are hoping to inspire others to read more about this historically social experiment that against all odds actually did exist and prospered for a while in the midst of the spiders web of the global political chaos which lasts still today. Contributors cover a range of topics including 'absolute modernity,' film, and the preservation and creation of

memory through clothing among others.
