Sommario/riassunto	This book constitutes the refereed proceedings of the 10th IFIP WG 11.8 World Conference on Security Education, WISE 10, held in Rome, Italy, in May 2017. The 14 revised papers presented were carefully reviewed and selected from 31 submissions. They represent a cross section of applicable research as well as case studies in security education and are organized in the following topical sections: information security education; teaching information security; information security awareness and culture; and training information

security professionals.
