Nota di contenuto	Education Policy and Intergenerational Income Mobility -- Intergenerational Income Persistence in Germany: the Role of Education and Occupation -- Social Beliefs about Income Mobility and Redistributive Politics.
Sommario/riassunto	Mareike Schad examines how redistributive policy measures influence intergenerational income mobility, taking into account various facets of the parent-child connection. In the first part, the author investigates the impact of education and education policy on income mobility both theoretically and empirically. The second part addresses individual beliefs regarding the determinants of personal economic success and their effect on income mobility within a society. Contents Education Policy and Intergenerational Income Mobility Intergenerational Income Persistence in Germany: the Role of Education and Occupation Social Beliefs about Income Mobility and Redistributive Politics Target Groups Researchers, students, and practitioners in the fields of economics with a focus on distribution policy, education economy, education policy, political economy The Author Dr. Mareike Schad obtained her

doctorate from the Technische Universität München, where she still works at the Lehrstuhl für Volkswirtschaftslehre. Her research interests are distribution policy, education economy and political economy.
