Sommario/riassunto	Am I a virgin? I think I am. I mean it went in her but it was floppy and it wasn't very nice so I think I am a virgin. I'm going to say I am. Will look better on me uni applications. Liverpool, 1989. Greg is thirteen. He has just started secondary school. He earns pocket money sweeping up hair in a barbers. Girls are aliens. Liverpool FC are everything. Edinburgh, 2012. Greg has an extraordinary story to tell you. Bottleneck is a vibrant coming-of-age story about becoming a man through adventures both big and small. It is about a notorious city; Liverpool. How the outside worlds views it. And how it views the outside world. Botleneck was first presented by HighTide Festival Theatre at the Edinburgh Festival, August 1 2012, directed by Steven Atkinson.

Sommario/riassunto	This book focuses on the application of revenue management in the manufacturing industry. Though previous books have extensively studied the application of revenue management in the service industry, little attention has been paid to its application in manufacturing, despite the fact that applying it in this context can be highly profitable and instrumental to corporate success. With this work, the author

demonstrates that the manufacturing industry also fulfills the prerequisites for the application of revenue management. The book includes a summary of empirical studies that effectively illustrate how revenue management is currently being applied across Europe and North America, and what the profit potential is. "With a strong historical focus on Revenue Management's Origins and by placing a robust emphasis on its importance in future uses in several industries, Danilo Zatta's book Revenue Management in Manufacturing will give you and your company the tools needed to improve profitability and performance." Kevin Mitchell President, The Professional Pricing Society, Inc.
