Nota di contenuto	Chapter 1. Public Finance and a Review of Basic Concepts -- 1 The Main Functions of the Public Sector -- 2 A Review of Analytical Basic Concepts -- 3 The Public Sector in Japan -- 4 Organization of the Book -- Appendix: Japan's Fiscal Management -- References -- Questions -- Part I Macroeconomic Aspects of Public Finance -- Chapter 2 The Macroeconomic Theory of Fiscal Policy I -- 1 The Simple Keynesian Model -- 2 The IS/LM Analysis -- 3 The Open Economy -- 4 The Efficacy of Fiscal Policy and the Policy Maker -- Appendix: Public Investment in Japan -- References -- Keywords -- Questions -- Chapter 3 The Macroeconomic Theory of Fiscal Policy II -- 1 The Permanent Level of Fiscal Variables -- 2 Consumption and Saving Behavior -- 3 The Labor Market and Supply Function -- 4 Equilibrium in the Goods Market -- 5 The Effect of Fiscal Policy -- 6 Evaluation of the Public Sector -- Appendix: The Size of Government Spending and the Private Sector's Evaluation -- References -- Keywords -- Questions -- Chapter 4 Public Debt -- 1 Ricard's Neutrality Theorem -- 2 The Shift of the Burden to Future Generations -- 3 Barro's Neutrality -- 4 Policy Implications of the Debt Neutrality Theorem -- 5 The Non-Keynesian Effect -- Appendix: Government Debt in a Overlapping Generations Model -- References -- Keywords -- Questions -- Chapter 5 Economic Growth and Fiscal Policy -- 1 A Simple Growth Model -- 2 Optimal Public Investment -- 3 The Solow Model -- 4 The Endogenous Growth Model -- 5 Inequality and Economic Growth -- Appendix A: Taxes on Capital Accumulation and Economic Growth -- Appendix B:

Supply-Side Effect of Public Investment in Japan -- References --  
 Keywords -- Questions -- Chapter 6 Fiscal Management -- 1  
 Understanding Fiscal Management -- 2 Fiscal Bankruptcy -- 3 Fiscal  
 Consolidation -- Appendix: Fiscal Deficits in a Growing Economy --  
 References -- Keywords -- Questions -- Chapter 7 The Public Pension  
 -- 1 Justification of the Public Pension -- 2 Economic effect of the  
 Public Pension -- 3 Public Debt and the Public Pension -- 4 Public  
 Pension Reform -- 5 Privatization of the Pay-as-you-go System --  
 Appendix A: Intergenerational Conflict in an Aging Japan -- Appendix  
 B: Simulation Analysis in an Aging Japan -- Conclusion -- References  
 -- Keywords -- Questions -- Part II Microeconomic Aspects of Public  
 Finance -- Chapter 8 The Theory of Taxation -- 1 Taxation and Labor  
 Supply -- 2 The Efficiency of Taxation -- 3 Interest Income Tax and  
 Saving -- 4 Investment and Tax -- 5 Consumption Tax -- Appendix:  
 The Savings Elasticity Controversy -- References -- Keywords --  
 Questions -- Chapter 9 Tax Reform -- 1 Labor Income Tax and Interest  
 Income Tax -- 2 The Theory of Optimal Taxation -- 3 The Theory of  
 Tax Reform -- 4 General Consumption Tax and Labor Income Tax -- 5  
 The Timing Effect of Taxation -- 6 Simulation Analysis of Tax Reform  
 -- Appendix A: Optimal Taxation in an Overlapping Generations  
 Economy -- Appendix B: Tax Reform within Lump Sum Taxes --  
 References -- Keywords -- Questions -- Chapter 10 Income  
 Redistribution -- 1 Progressive Income Tax -- 2 Endogenous Labor  
 Supply -- 3 The Optimal Income Tax -- 4 Nonlinear Income Tax -- 5  
 Economic Constraint and Redistribution -- Appendix: Optimal Linear  
 Income Tax -- References -- Keywords -- Questions -- Chapter 11  
 The Theory of Public Goods -- 1 Public Goods -- 2 Optimal Provision  
 of Public Goods: The Samuelson Rule -- 3 The Theory of Public Good  
 Provision: the Nash Equilibrium Approach -- 4 The Theoretical Analysis  
 of Public Goods: the Lindahl Equilibrium -- 5 The Free Rider Problem  
 -- 6 The Neutrality Theorem of Public Goods -- Appendix: Public Bads,  
 Growth, and Welfare -- References -- Keywords -- Questions --  
 Chapter 12 Public Spending and the Political Process -- 1 The Failure of  
 Government -- 2 The Voting Model -- 3 The Voting Model and Reality  
 -- 4 Political Parties and Fiscal Policy -- 5 Theoretical Model of the  
 Partisan Business Cycle -- 6 Further Comments -- Appendix A: Fiscal  
 Privileges, Consolidation Attempts and Pigouvian Taxes -- Appendix B:  
 Political Factors and Public Investment Policy in Japan -- References --  
 Keywords -- Questions -- Chapter 13 Local Public Finance -- 1  
 Intergovernmental Finance -- 2 The Supply of Local Public Goods -- 3  
 Tax Competition -- 4 The Time Consistency of a Tax Policy -- 5 The  
 Principle of Local Tax -- 6 Redistribution among Local Governments --  
 7 Further Issues on Intergovernmental Finance -- Appendix: Analytical  
 Model of Central and Local Governments in Japan -- References --  
 Keywords -- Questions -- Index. .

## Sommario/riassunto

This textbook equips instructors and students with an overview of the existing literature so that the latter can attain an overall understanding of macroeconomic and microeconomic public finance. The literature on public finance has grown dramatically with theoretical studies and empirical analysis, and much of the focus has been on macroeconomic effects of public services. The standard textbook offerings, however, are mainly restricted to microeconomic topics of public finance. This text intends to fill this gap by presenting a theoretical-based, comprehensive explanation of public finance. Particular emphasis is directed at developing tools that can be applied theoretically and empirically to clarify essential economic concerns in the current public sector in advanced countries, including Japan. Such concerns include the macroeconomic effect of fiscal policy, the dependence on bonds for

covering government deficits, and social security reform. The main text explains the standard concepts of public finance, and the appendix offers various advanced topics. The material will facilitate an understanding of how to investigate changes in the public sector, interpret results, and basically do research on fiscal policy. The textbook will be of value to a broad range of course offerings, including those generally focused on fiscal policy, on social security reform and on tax reform.
